ORDER

Adopted: May 14, 2004   **Released: May 18, 2004**

By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration a Request for Review filed by Castro Valley Unified School District, Castro Valley, California (Castro Valley).[1] Castro Valley seeks a deadline extension for a FCC Form 472 in Funding Year 2001 of the schools and libraries universal service mechanism.[2] Specifically, Castro Valley requests that the deadline be extended for Funding Request Number (FRN) 849626.[3] Upon our review of the record, however, we find that SLD approved Castro Valley's request to extend the invoicing deadline for FRN 849626.[4] Accordingly, the Division dismisses Castro Valley's Request for Waiver as moot.
